TO WHOM IT MAY CONCERN,

AT 8:30
WILLIAM T. WALSH CLE

I would like to object to the terms of the settlement. One reason I object is because the settlement allows less than \$150 per customer that can prove they deposited coins in the machines in question. I myself had the responsibility of cashing out coins for my family's business. I would do this no less than once a week. I am currently only being credited for two such deposits. This only covers about a month of the money I'm owed because of the malfunctioning machines. I would appreciate having the opportunity to speak to a judge concerning this matter considering

at least 4 to 6 months of continuous
at least 4 to 6 months the entire
length of the year in question.

Sincerely
